Re: Krandle v. Refuah Health Ctr., Inc., 22 CV 4977 (KMK);
Esposito v. Refuah Ctr., Inc., 22 CV 5039 (KMK)

Dear Judge Karas:

We are counsel for Defendant Refuah Health Center ("Refuah") in the above referenced matters.

After the Court's conference in these matters on April 14, 2023, the parties have met and conferred about appropriate discovery. The parties are in the process of discussing proposals and need additional time to complete those discussions. The parties respectfully request leave to file a status letter with the Court next Friday, April 28, 2023, and adjourn today's conference pending submission of the parties' status letter.

Granted.

So Ordered.

4/21/23

Respectively,

s/Brian G Cesaratto
